***Legacy at EG/Boundary Road Subdivision—postal operations are stating “cluster” mailboxes need to be placed in this development. Board members were all in favor of having PB solicitor send letter to Bellmawr Postal Service/speak to developer on not having these installed. Would like to see individual mailboxes. The Gatherings development next door does not have cluster mailboxes.**

***Resolution 44-2020 (authorizing Planner to undertake a preliminary investigation to determine whether additional blocks/lots qualify for designation as an area in need of redevelopment).**

Marc Clodfelter made a motion to authorize investigation. Wilfredo Rojas made the second. Roll call vote unanimous.

A full record of the hearing was recorded, and will be further set forth in the resolution adopted by the Board regarding the same.
