**Re: *Affordable Housing Units available
at Legacy at East Greenwich in East Greenwich, New Jersey***

The Township of East Greenwich is pleased to announce the availability of affordable housing units at the new Legacy at East Greenwich development.

The property address is 67 W. Cohawkin Road. The development is located a half of a mile west of Kings Highway. Fourteen age-restricted two-bedroom single-family attached homes for low and moderate income qualified households will be available. The low income units will be selling for \$96,438 and the moderate income units will be selling for \$184,371.

Applications will be accepted until April 21, 2021. All applicants must meet specific income requirements to be considered a viable candidate for the applicant pool. More information and preliminary applications are available by contacting CME Associates at 732-410-2651 or by tford@cmeusa1.com. The first phase will be available by late April 2021.

This announcement is made pursuant to the State of New Jersey Uniform Housing Affordability Controls requirements and it is available to buyers of all majority and minority groups, regardless of race, creed, color, national origin, ancestry, marital or familial status, gender, affectional and sexual orientation, disability, age, etc. The dwellings will be marketed to people residing and working in Burlington, Camden, and Gloucester counties.
